Subject: Notice of File Closure Huntington Cleveland Irrigation Company, HCIC Upper Pond Borrow Site, S/015/0100, Emery, County, Utah

Dear Mr. Fillmore:

The referenced Notice of Intention to Conduct Mining Operations, located in Emery County, Utah, will now be closed and the file retired.

By letter dated September 21, 2010, the Division of Oil, Gas and Mining requested additional information and a reclamation surety. The Division has not had a response and has not received permit fees.

If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a Notice of Intention and reclamation surety to the Division and gain approval from any other appropriate agencies.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
